

# Tension Platen Gluing Jig – Single Specimen

## Accessories

### ADVANCED PAVEMENTS TESTING SYSTEMS

Improve the accuracy, repeatability and efficiency of your specimen preparation with IPC Global's Tension Platen Gluing Jig. Designed to prepare 38, 50, 75 or 100mm diameter specimens, the unit ensures accurate perpendicularity of the specimens and parallel placement of platens.

Optional adaptor plate available for SVECD 130mm specimens.

## Specifications

### Features

- Simple to use manual operation
- No requirements for additional actuators
- Specimen diameter up to 105mm
- Upgrade kits for 38, 50 and 75mm small diameter specimens
- Specimen height up to 170mm with IPC Global platens
- Constructed using aluminum and stainless steel.

### Dimensions and Weight

<b>Dimensions</b>	450 x 290 x 210mm (H x W x D)
<b>Weight</b>	30kg

### Ordering Information

- 79-PV70611 – Tension Platen Gluing Jig Single Specimen
- 79-PV70617 – 50 & 38 mm Specimen Upgrade-fit Kit

Additional accessories may be required to create a working testing system. Please contact us for advice.

## Clamping System

To perform tension and through-zero dynamic tests on asphalt cylinders, it is necessary to accurately bond platens onto the top and bottom of the specimen. IPC Global's Tension Platen Fixing Jig is designed to make sample preparation quick, accurate and repeatable.

## Superior Performance

IPC Global offers a wide variety of accessories to extend the range of their advanced testing machines. The range includes fixtures for performing a variety of tests to local and international standards, displacement transducers and specimen preparation equipment.

IPC Global's accessories are constructed of high quality robust materials thus ensuring superior performance and appearance for years to come.

## ► IPC Global Customer Care

**At IPC Global we are proud of our products.**

We are dedicated to supplying high quality, accurate, affordable, easy-to-use systems for Advanced Testing of asphalt, binders and other pavement materials. As a valued customer of IPC Global you will receive continuous, expert support and advice for your instrument. Furthermore, we offer full installation and training in the correct operation of your IPC Global equipment. For support from our expert Customer Care Team, contact your local IPC Global-Controls office/distributor or email [ipcglobalsupport@controls-group.com](mailto:ipcglobalsupport@controls-group.com).

Visit our website for more information [www.controls-group.com/ipcglobal](http://www.controls-group.com/ipcglobal).
